April 2014 Newsletter

A note from Pastor Brent.....

New Life!

It has been a long, difficult, cold winter. Be encouraged! Spring is coming! And with it, we'll see renewed life all around us. Surely this will do wonders for all of us. And as we think and dream of warmer weather, getting outside, the renewed beauty of spring flowers and green grass, let us also pray for such a renewing in the lives of the people around us. For many, life can be like a long, cold winter. It can become very depressing. During those times, some find themselves in a hopeless place. As people who have hope in Christ, let us be among the first to speak life and hope into them. Furthermore, this month offers us a great opportunity to invite people to church. What could happen if everyone in our congregation—each individual...each family brought someone with them? Each one bring someone! Each couple bring a couple! Each family bring a family! Pray for God to move in their lives! Come on...let the Lord speak to you about someone He wants to save and transform. Be in prayer for them, leading up to the time you invite them. Take them to lunch after service and share your testimony with them about what the Lord has done in your life. With God's help—you can do this! God is at work! So work with Him and let's see a great move of God this spring! New life!

Ah, it feels better already.
