February 2014 Newsletter

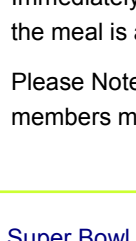

A note from Pastor Brent.....

Greetings Church: What an honor to serve the Lord at this time of history. The morals of our country are going down fast. Our nation is about to experience some very trying times. Darkness is covering the earth. So, what an awesome time for the light to shine.

Jesus said that people's heart's would fail them for fear of what's coming on the earth. This darkness, this fear, the emptiness that a godless world brings will cause many to search for light, for peace and for fulfillment. A Spirit-filled church can rise up to make a difference.

We should not fear or fret. Jesus is on the throne. He's promised to be with us until the very end. He chose to put us on earth for this very time. It's not about what we can do, it's about us yielding to Him so He can do His work through us. Don't be dulled by seeking after temporal things. Don't be deceived by knowing what to do but not doing it. If any time in history it's time to make eternal things the highest priority, it's now! This can be the Church's hour--prepare to be a part of a strong, vibrant move of God in the final days' outpouring!
